Thank you to the Library Board, Family, Friends and Patrons who came and celebrated my Retirement from the Library. It was a packed library with many memories shared. Several adults found themselves in our scrap books when they attended summer reading.

There has been many changes to the library in the last Thirty three years. Starting with a one computer to now having 5 patron computers, a microfiche reader, tv, laminator, ONYX magnifier, Cricut machines, Sewing machine, Digitized books and newspapers online. We provide ebooks and audio books with the LIBBY PROGRAM. We now have the fastest Internet in town provided by Glenwood Fiber optics. A Foundation has been started and we now have a full time library position.

Wanda Marget

Thank you

The family of Meleese Schmidt would like to thank everyone for the thoughts and prayers at our time of loss.

Special thank you to the ladies Auxiliary and GFWC Woman's Club and Fairmont Community Church for serving the lunch

Richard, John, Jann and AJ.

- Bring in sunlight. During daylight hours, switch off artificial lights and use windows and skylights to brighten your home.
- Service your air conditioner. Easy maintenance such as replacing or cleaning air filters can lower your cooling system's energy consumption. The first day of spring is a good time to check your air conditioner's evaporator coil, which should be cleaned annually to ensure optimal performance.
