### Sewer Rate Adjustment Reminder

A friendly reminder that annual sewer rates will be calculated in April, and it will be based on water usage during January, February and March. If you have any questions, feel free to call the Village office at (402) 268-3341.

### Tree Disposal Site Information

Tree disposal site hours are: Tuesdays, Thursdays, Saturdays and Sundays – 8a.m.-8 p.m.

ONLY TREES, LEAVES & GRASS are accepted. Please do not leave plastic garbage bags of grass in the mulch pen. These plastic bags do not decompose and are not allowed by the Department of Environmental Quality. Also, please do not put leaves and grass in the tree pile nor add to the tree pile if it is burning or appears to be hot. Items other than trees, leaves and grass are being brought into the area. If the tree disposal and mulch pen site are continued to be misused by anything other than trees, leaves and grass, the village board will be forced to SEVERALLY limit the hours the area is open to residents. Thank you for your cooperation.

### Spring energy saving tips

Spring is coming! Improve your home's energy efficiency with simple low-cost strategies:

- Bring in sunlight. During daylight hours, switch off artificial lights and use windows and skylights to brighten your home.
- Service your air conditioner. Easy maintenance such as replacing or cleaning air filters can lower your cooling system's energy consumption. The first day of spring is a good time to check your air conditioner's evaporator coil, which should be cleaned annually to ensure optimal performance.
