FALL CLEAN UP: November 8 on Main Street from 9am. Fairmont Community Club and Village of Fairmont are teaming up again to help keep our community looking its best. Join us for a scaled-down version of our big June event—perfect for tackling those fall projects before winter sets in! The tree dump will also be open for all your tree limbs and grass clippings. It's the perfect time to clear out that yard waste, lingering from the storm. While this cleanup will be smaller (less equipment and less roll offs), it's still a great chance to tidy up and take pride in our town!

SAVE THE DATE:

Ever wonder why Veteran's Day is on the 11th and does not change? World War I ended on the 11th month on the 11th day on the 11th hour. Today, I saw a man selling poppies stop a lady and asked if he could re-position her poppy. While doing so he told that lady she should wear the poppy on her right side; the red represents the blood of all those who gave their lives, the black represents the mourning of those who didn't have their loved ones return home, and the green leaf represents the grass and crops growing and the future prosperity after the war destroyed so much. The leaf should be positioned at 11 o'clock to represent the eleventh hour of the eleventh day of the eleventh month, the time that World War I formally ended. He was worried that the younger generations wouldn't understand this, and his generation wouldn't be around for much longer to teach them. We must remember those from our current wars too!

Thank you to everyone who came, sent cards, and messages for my 100th birthday open house on Saturday, October 18th. It was wonderful to celebrate with the many friends and family who mean so much to me.
