## Fairmont Public Library News

by Wanda Marget

### Fairmont Library part of Inaugural 'WanderNebraska' program

The Fairmont Public Library has been picked for the Nebraska State Historical Society Foundation's inaugural passport travel program called WanderNebraska. The Program started Memorial Day and wraps up on Labor

Day (Sept. 5). Booklets show 27 statewide travel adventures around the state.

This program encourages travelers to visit Nebraska museums, parks, libraries and other points of interest in order to win participation prizes along the way. According to U.S. Dept. of Tourism statistics over 36 percent of vacations in 2021 were history-focused.

Many of the sites you will visit are located in close proximity to historical markers, which are easily accessible and provide educational interpretation of the stories and people of the past. To learn more about Nebraska History, download the "Explore Nebraska History" app from the Apple or Google app store.

## Summer Energy tips

Warmer temperatures are here and that means thinking about saving on your summer energy bills...

- Raising your thermostat a few degrees when not at home can make a difference in energy savings.
- Keep the heat out of your house by using an outdoor grill instead of your oven.
- Cooling your home with ceiling fans will allow you to raise your thermostat a few degrees.
