Trees Disposal Site Reminders

The trees disposal site is open on Tuesdays, Thursdays, Saturdays and Sundays from 8 a.m.-8 p.m.

Please note: Only trees, leaves and grass are accepted. Please do not leave plastic garbage bags of grass in the mulch pen. These plastic bags do not decompose and are not allowed by the Department of Environmental Quality. Also, please do not put leaves and grass in the tree pile nor add to the tree

pile if it is burning or appears to be hot.

Items other than trees, leaves and grass are being brought into the area. If the tree disposal and mulch pen site are continued to be misused by anything other than trees, leaves and grass, the Village Board will be forced to severely limit the hours the area is open to residents. Thank you for your cooperation.

Marshal's Notes

by Tyler Salmon

Speed trailer now available

The Village of Fairmont and the Fairmont Police Department purchased a speed trailer last month.

The speed trailer can track speeds from the traffic and provide data that tells what time someone was speeding wherever the trailer

is located. If you have a location you feel the trailer is needed, please contact the Fairmont Police Department at (402) 710-5017 and I will deploy the trailer.

Data recorded by the trailer is also available that I can provide upon request.

Spring Energy tips

With warmer temps of spring on the way, it's a good time to keep in mind...

- Servicing your air conditioner can help lower your cooling system's energy consumption.
- Keeping the heat out of your house by using an outdoor grill instead of indoor ovens on warmer spring days.
- Cooling your home with ceiling fans will allow you to raise your thermostat a few degrees.
