

### What is an Owner Occupied Housing Rehabilitation Program?

The Village of Fairmont is applying for funding through the Nebraska Department of Economic Development (NDED) to establish an Owner-Occupied Housing Rehabilitation Program. Eligible homeowners may receive assistance to make structural, mechanical, electrical, weatherization and plumbing improvements to their homes.

### How do I know if I'm eligible?

There are certain eligibility requirements, including income, assets, and homeownership. Mobile homes and rental properties are not eligible for participation in the program.

### Will I have to repay the assistance?

Conditional Grant. Very low income households will qualify for a 100% Conditional Grant that will be forgiven after 5 years if owner does not move, sell or rent their property within the 5-year affordability period.

### How much assistance is available?

Financial assistance per household generally ranges from \$5,000 - \$20,000 per unit. The maximum per housing unit is limited to \$24,999. This limit unfortunately may exclude certain homes from participating in the program. For example, if a home will not meet basic standards after injecting \$24,999 in assistance, then the home will not be eligible for the program.

### What repairs are ELIGIBLE?

Eligible repairs are those that will add approximately twenty (20) years to the life expectancy of your home, including,

- ~ Structural-Foundation, Roof, etc.
- ~ Mechanical-Furnace, Air Conditioning
- ~ Water Heater
- ~ Electrical-Wiring, Fuse Boxes

- ~ General Maintenance-Kitchens, Bathrooms, Etc.
